

WASTE CONNECTIONS

Connect with the Future®

Hello!

To initiate services, please contact our customer service office via email at SanAntonioCSR@WasteConnections.com to avoid long wait times on calls. Alternatively, if you prefer immediate assistance, please call 210-658-0487 and inform the representative that you reside in the Presidio Heights subdivision.

Currently, the trash and recycling service days are yet to be determined (TBD). You will receive notification closer to the start date of September 1st for your community. Please ensure all *trash* items are securely bagged. For *recycling*, please place all items loosely in the container or leave them unbagged. Carts must be on curbside by 6AM, the latest, on service day, and 3 feet away from any obstruction.

The quarterly cost for trash and recycling services is \$60.00, which amounts to \$64.95 after taxes. To commence service on September 1st, payment for the entire quarter is required. Residents must contact us by August to ensure a timely start and delivery. For any inquiries, please reach out to our service team at 210-658-0487.

Thank you!
