

Change to Your Recycle Service

First **Service Day** of Every Other Week Recycling service – **09-08-2022**

First **Off Day** of Every Other Week Recycling service

Change to Recycle Service

In order to continue providing excellent service at a reasonable cost, we are changing your recycle collection to an every other week service schedule. We have found that our recycling program, although popular, is typically half utilized by most customers each week. By moving everyone to an every other week schedule, we are able to provide reliable recycle and waste collection services.
